

VIC WORKING PARENT'S CLUB

Health Form *VIC SummerCamp 2019*

General Information:

Please complete this health form (one per child) accurately and tell us which ailments your child has. The more we know about your child's health, the better we will be able to take care of him/her.

If you withhold information we may have to ask you to take the child out of Camp. Remember that if you do not indicate chronic problems or handicaps, you limit our possibilities to assist the child in case of accidents or illness. In such cases, we would always try to reach you first and in case of more serious problems take him/her to the closest hospital by taxi or ambulance as required.

Your child will always be accompanied by a supervisor and you will be asked to assume both the child's and the supervisor's transportation costs. Please do not bring children who are already sick in the morning, to Camp that day.
