VIC SummerCamp 2017

Pocket Money

Your child will need pocket money to be able to buy ice cream and sweets when we are on excursion or at the swimming pool.

We recommend **€ 10.-** for the week, allowing for **€ 2.-** per day (equivalent to one to two ice creams or one ice cream plus sweets).

For younger children, you can give the money to a supervisor to prevent them from losing it. The amount given will be at their free disposal (within reason).

Things to supply your child with

- Morning snack
- Spare set of clothing
- Cap/Hat
- Swimming short/suit
- Towel
- Sun-blocker
- Raingear
- Swimming wings (young children)

NB.: Please write the name of your child on all pieces of clothing so that they can be found easily.

**Thank you.
