

## VIC SummerCamp 2018

### Pocket Money

Your child will need pocket money to be able to buy ice cream and sweets when we are on excursion or at the swimming pool.

We recommend € 10.- for the week, allowing for € 2.- per day (equivalent to one to two ice creams or one ice cream plus sweets).

For younger children, you can give the money to a supervisor to prevent them from losing it. The amount given will be at their free disposal (within reason).

### Things to supply your child with

- Morning snack
- Spare set of clothing
- Cap/Hat
- Swimming short/suit
- Towel
- Sun-blocker
- Raingear
- Swimming wings (young children)

**NB.:** Please write the name of your child on all pieces of clothing so that they can be found easily.

**Thank you.
